

Sustainability

Century Plaza Ownership and Property Management teams are proud to partner with our tenants in our energy conservation and Green practices. Did you know that.....

All cleaning products used by the janitorial company are Green Products. For more information, go to <http://info.waxie.com/green/waxie-green-cleaning-chemicals>

Republic Services, the building's trash disposal company, recycles the building trash using single stream recycling

The parking lot lights were converted to LED in June

A new irrigation controller with WeatherTRAK System (automatically adjusts for daily climatic variations), rain sensor devices, and more efficient sprinkler heads were installed in April

Building energy usage is tracked via Energy Star
